

Your Partner in Precision Packaging Solutions

**Manufacturer & Exporter of High-Quality PET Preforms, Plastic Caps, and Shrink Rolls**

# About US

## R.V. PLAST: Crafting Tomorrow's Packaging Today

---

At R.V. PLAST, we're not just manufacturing; we're innovating. Located in the vibrant industrial hub of Tankara, Morbi, Gujarat, India, we harness advanced Indian manufacturing technology to produce packaging solutions that stand out for their quality, consistency, and reliability.

Since our inception, our vision has been clear: to empower businesses across diverse sectors – from Beverages and edible oils to pharmaceuticals – with superior packaging components. Our state-of-the-art facility, powered by robust Indian machinery, is a testament to our dedication to precision engineering and scalable production. We ensure that every preform, cap, and roll we deliver meets the rigorous demands of global markets with efficiency and unwavering quality.

Choose R.V. PLAST – where exceptional packaging begins.

## Why Partner with R.V. PLAST?

### Your Advantages, Our Commitment

---

#### Reliable & Robust Indian Manufacturing:

Our operations are built on the strength of advanced Indian manufacturing technology. This means high efficiency, consistent product quality, and the inherent durability that modern production environments demand. Our machinery is designed for steadfast performance and straightforward maintenance, offering you long term, tangible value.

#### Uncompromising Quality & Consistency, Guaranteed:

Quality isn't just a buzzword for us; it's the foundation of everything we do. From the meticulous sourcing of raw materials to the rigorous final inspection of every product, our processes adhere to the highest international benchmarks. You can depend on consistent product performance, batch after meticulously crafted batch.

#### Diverse & Versatile Product Portfolio:

Your unique packaging needs are our specialty. Whether you require a specific preform for a groundbreaking new beverage, a custom-colored cap to align with your brand, or a high performance shrink film for efficient bundling, our extensive and adaptable range is designed to provide efficient and effective solutions tailored just for you.

#### Proven Global Export Expertise – Connecting Continents:

We don't just promise global reach; we deliver it. With a robust track record of successful exports to demanding markets including the USA, Liberia, Rwanda, Gambia, Congo, and Tanzania, we possess the in-depth experience and seamless logistical capabilities to ensure reliable, on time delivery to your facility, anywhere our services are required.

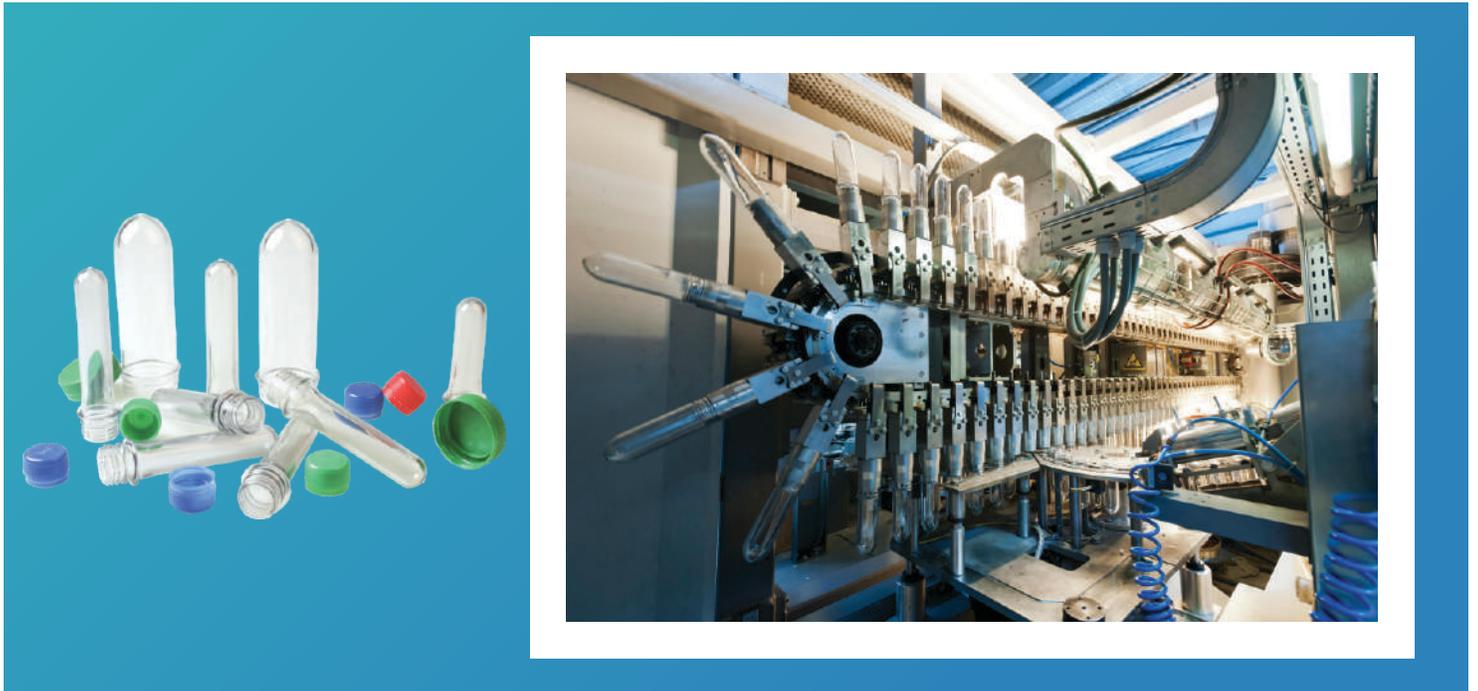

#### Certifications & Compliance – Your Assurance of Excellence:

Your trust is paramount. R.V. PLAST proudly adheres to the highest industry standards, holding crucial certifications that unequivocally demonstrate our unwavering commitment to safety, quality, and regulatory compliance.

## Our Products: Precision Engineered for Your Success

# PET Preforms: The Crystal Core of Your Packaging

Meticulously crafted using advanced Indian manufacturing technology, our PET preforms are engineered for optimal performance, superior aesthetics, and maximum blowing efficiency on your lines.

## Key Benefits for You:

- Optimal Blowing Performance: Engineered for high speed, efficient bottle production.
- Consistent Quality: Uniform weight, dimensions, and clarity, batch after batch.
- Enhanced Product Integrity: Low Acetaldehyde (AA) content to preserve beverage taste.
- Versatility: A wide range of options to meet diverse bottle design and application needs.

# Plastic Caps: The Perfect Seal of Quality & Security

Our plastic caps are engineered for a precise fit, ensuring unparalleled product integrity, leak proof performance, and complete consumer confidence.

# Shrink Rolls: Dynamic Protection & Brilliant Presentation

Our comprehensive range of shrink films offers superior product protection, captivating presentation, and exceptional bundling efficiency for all your packaging needs.

## Key Benefits for You:

**Optimal Shrinkage:** Conforms perfectly to product shapes for a tight, secure, and appealing wrap.

**High Clarity & Gloss:** Maximizes product visibility and enhances shelf appeal.

**Robust Protection:** Provides strong defense against dust, moisture, and handling damage during transit and storage.

**Versatile Solutions:** Cater to individual product wrapping, efficient multi packs, and large-scale bundling.

# Our Assurance: Quality & Certifications You Can Trust

At R.V. PLAST, our commitment to quality is validated by stringent standards and recognized certifications. We believe in transparent operations and products that meet, and exceed, global expectations.

**FSSAI Certified:**  
Ensuring our packaging materials are safe and suitable for direct and indirect food contact applications, adhering to India's premier food safety standards.

**ISI Certified:**  
A hallmark of quality and reliability, demonstrating our compliance with rigorous Indian Standards for various products.

## Global Reach: Connecting Your Business to the World

R.V. PLAST is a globally recognized name in precision packaging solutions. Our established export network ensures seamless and timely delivery to our valued partners across continents.

We are proud to serve:

North America

USA

Africa

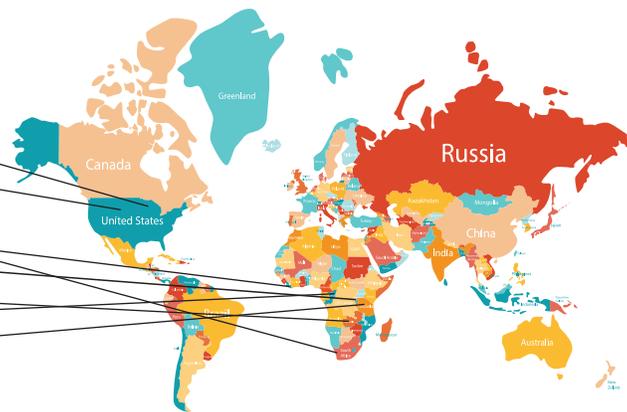

Liberia

Rwanda

Gambia

Congo

Tanzania

Strategically located in Gujarat, India, our proximity to major international ports like Mundra and Kandla underpins our efficient global logistics. We are fully equipped to manage large volume orders and complex shipping requirements, guaranteeing that your crucial packaging components arrive safely and precisely when you need them.

# Our Range Details

## ALASKA PREFORMS

Sr. No.	Weight (GMS)	Neck Dia (MM)	Neck Type	Total Length (MM)
1	8.5	28	Alaska	52.93
2	12.7	28	Alaska	69.50
3	15.50	28	Alaska	93.38
4	18.30	28	Alaska	105.83
5	19.5	28	Alaska	107.86
6	25.0	28	Alaska	118.00
7	32.0	28	Alaska	135.60

## PCO 1881 PREFORMS

Sr. No.	Weight (GMS)	Neck Dia (MM)	Neck Type	Total Length (MM)
1	11.5	28	PCO 1881	58.30
2	12.2	28	PCO 1881	58.44
3	13.2	28	PCO 1881	62.39
4	15.5	28	PCO 1881	68.00
5	18.5	28	PCO 1881	69.93
6	22.0	28	PCO 1881	93.77
7	32.0	28	PCO 1881	125.00
8	37.5	28	PCO 1881	125.81
9	53.5	28	PCO 1881	144.00

## CTC PREFORMS

Sr. No.	Weight (GMS)	Neck Dia (MM)	Neck Type	Total Length (MM)
1	15.0	26	CTC 29.21	68.62
